2008 Summer Farm Camp

For ages 7 - 16 years old

June 23 - August 1

SUMMER FARM CAMP

K & E Stables is excited to offer a truly unique summer camp experience for children. Not only can campers learn about grooming, riding, and caring for horses, but our camp will also allow children to interact with young calves (both dairy and beef cattle) sheep and goats. Children will be able to bottle feed our young calves as well as groom one of our very friendly yearling steers and even a goat of they wish.

Although most of the horses on the farm are American Quarter Horses, some of which are used to work the cattle, we also have a variety of other breeds of horses that are boarded here. Children will learn about these types of horses, their purposes and much more. Campers will also get to meet our 2008 foal as well as our yearling and some of the other younger horses that have been born on the farm.

Riding Time

All campers will be matched to a horse based on the rider's ability and experience that will allow for a fun and enjoyable riding time. Riding time will center on learning the basics as well as learning some fun mounted games.

Demonstrations

We will do a variety of demonstrations from week to week, events that occur on the farm, such as sheep shearing, caring of the hooves of horses, sheep and goats, horse dentistry and much, much more. We will also do some mounted equestrian demonstrations, showing how horse and rider work together to accomplish a variety of different jobs/events.

Health Concerns

K & E Management must be informed of all allergies or health issues your child may have in advance. It is highly recommended that all students be up to date on tetanus inoculation before start of camp.

Riding Release

Children that normally take lessons at K & E Stables do not have to fill out a riding release just for camp. All other campers will have to have one on file at the start of camp.

Attire

Campers can come to camp each day in shorts and sneakers. A change of clothing (long pants or breeches and paddock boots or a shoe with a heel) is needed for the riding lessons. Certified riding helmets are required, but if you do not have one for your child, we can supply them with a helmet. Camp will run rain or shine, so children should dress appropriately. We suggest that you child's name be on all garments.

Our Staff

Our staff are dedicated horse owners who also pride themselves in providing the utmost care to all the animals on the farm. They have been selected due to their knowledge of horses, riding and their safety dealing with our farm animals.

Lunch Time

Children should bring their own lunch with plenty to drink. All of our full day campers should have an afternoon snack, too.

Show Time

Every Friday we will end the week with a horse grooming contest and a small horse show. Each camper will get to show off what they have learned. We will have ribbons and prizes for the event. Parents are encouraged to come and cheer them on.

Terms & Conditions

A \$125.00 deposit is required at time of registration. Balance must be paid in full by first day of camp. Checks made payable to K & E Stables. We will call to confirm your child place in the camp program. There is a \$75.00 cancellation fee.

2008 K & E CAMP APPLICATION

Child's Name _____

Age/ DOB: _____
